p004 — Deviations from matching

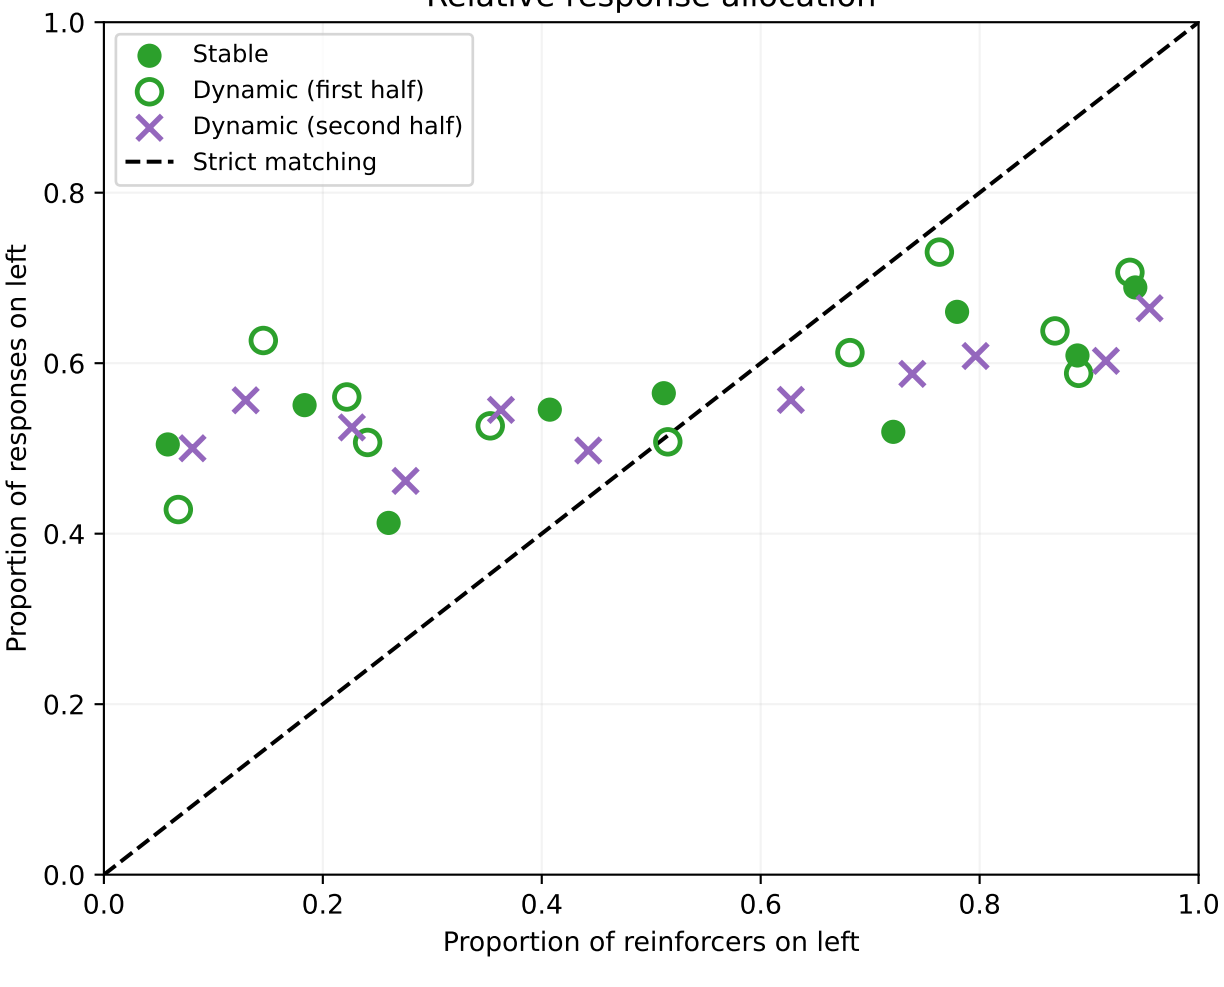

Response allocation vs. reinforcement

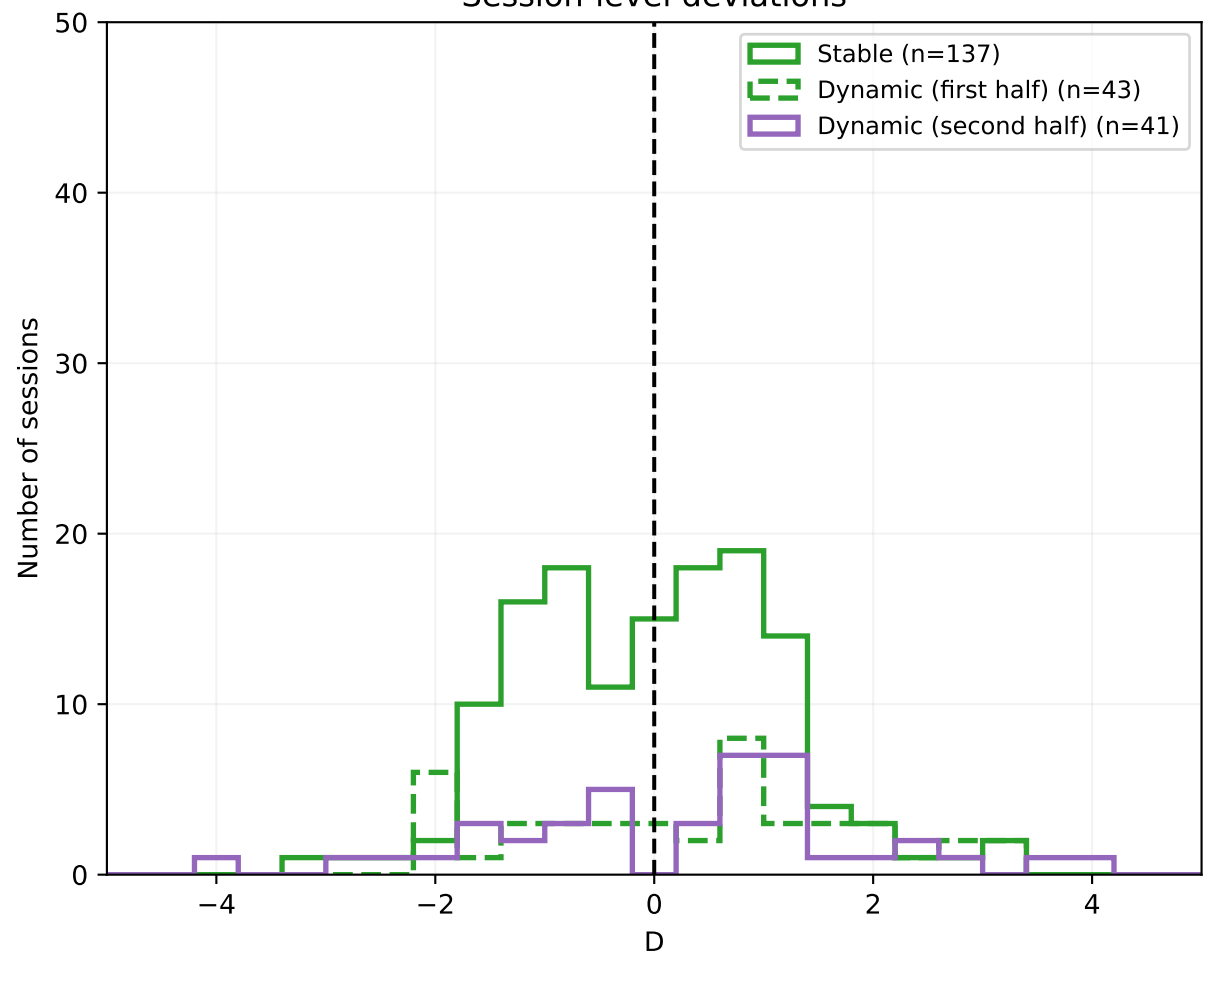

Deviation from strict matching

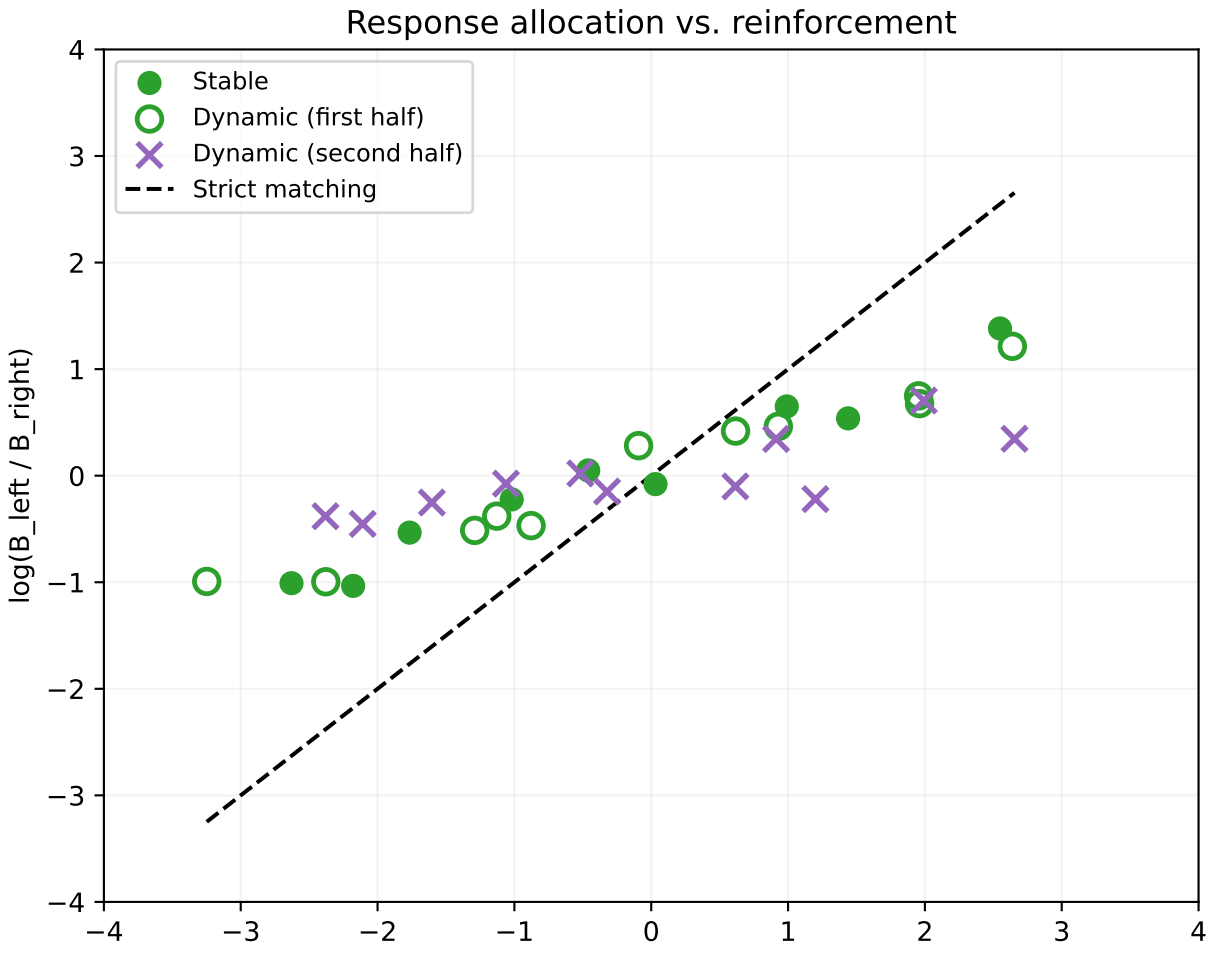

Relative response allocation

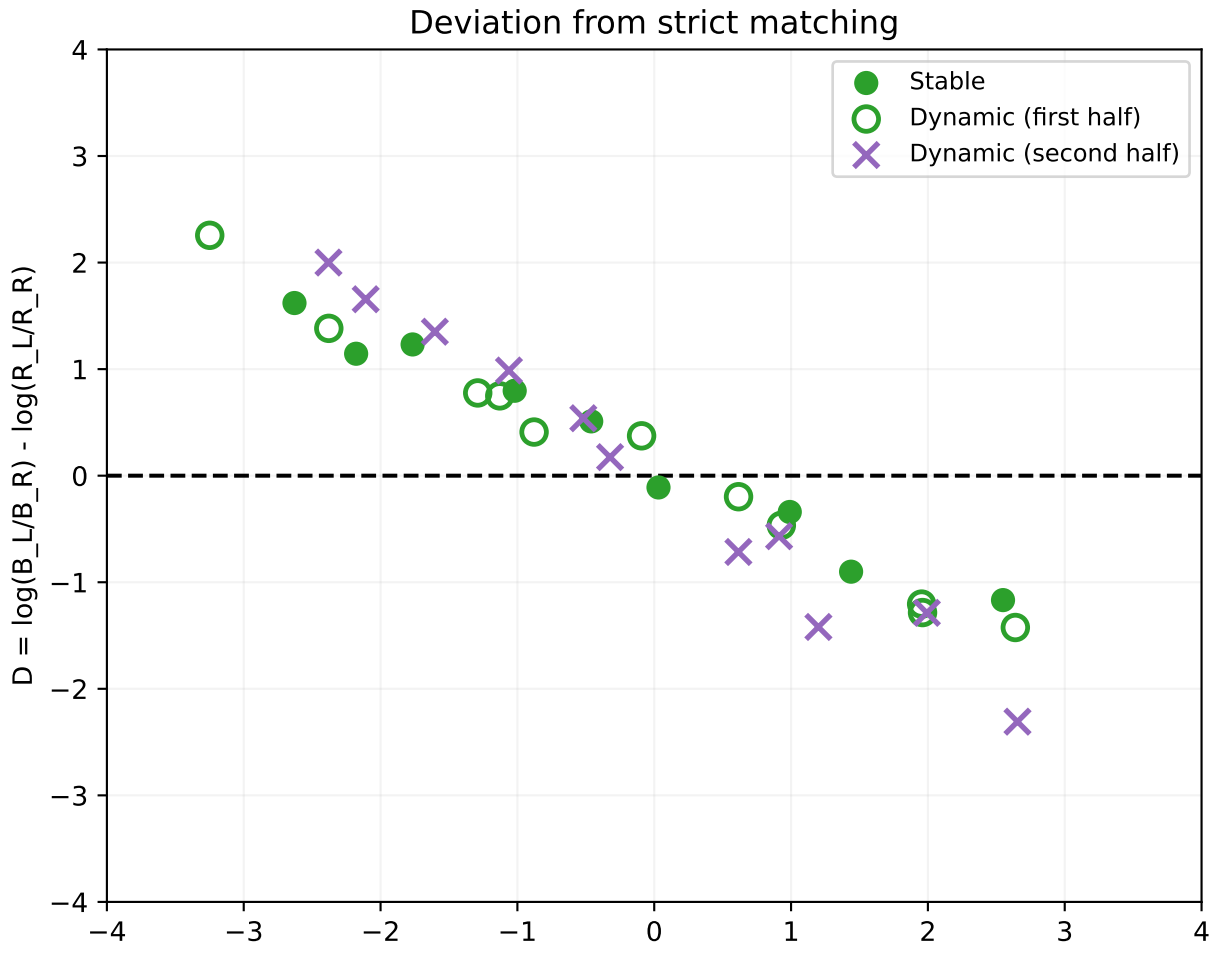

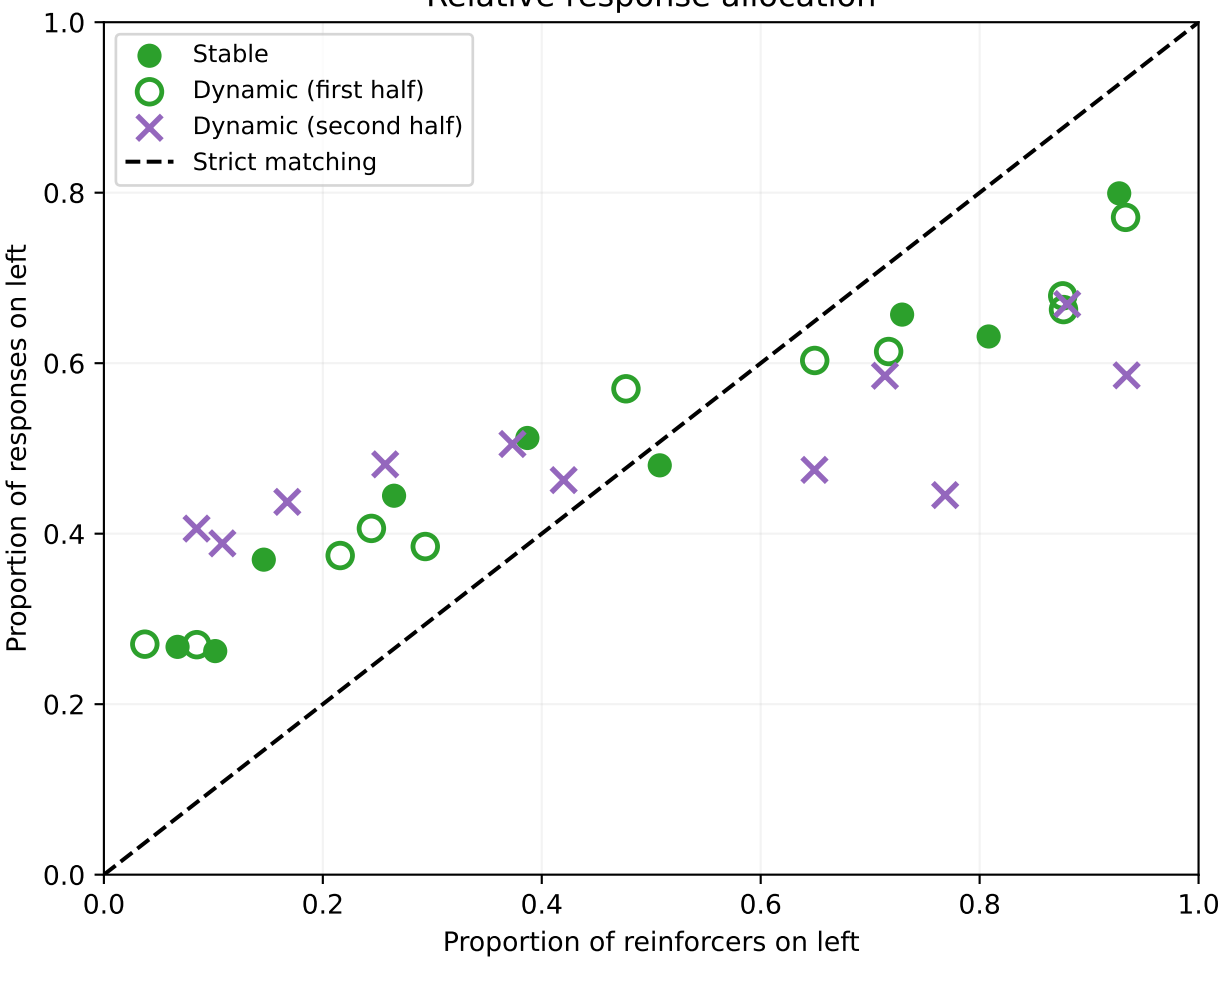

Session-level deviations

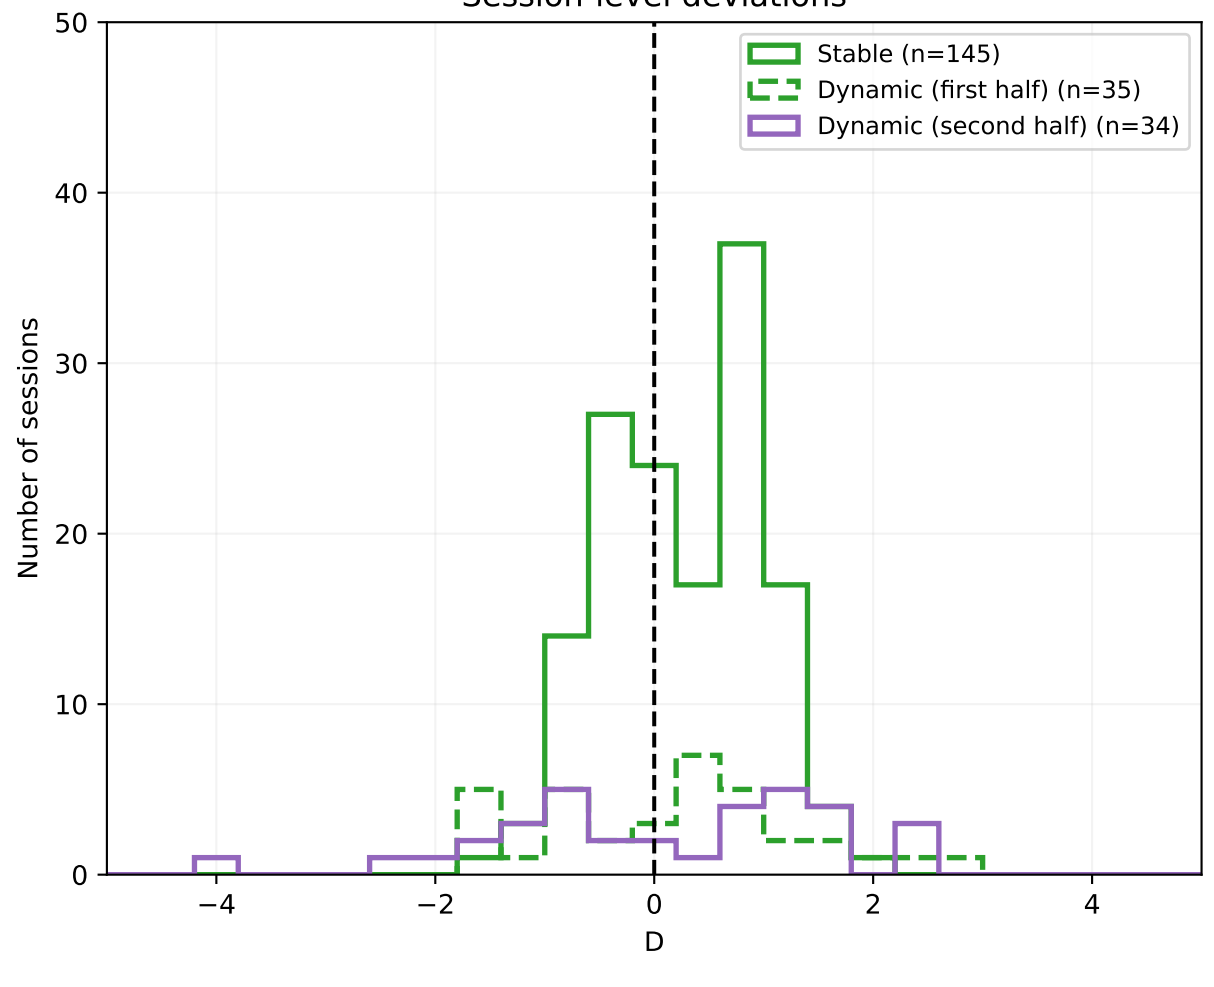

p054 — Deviations from matching

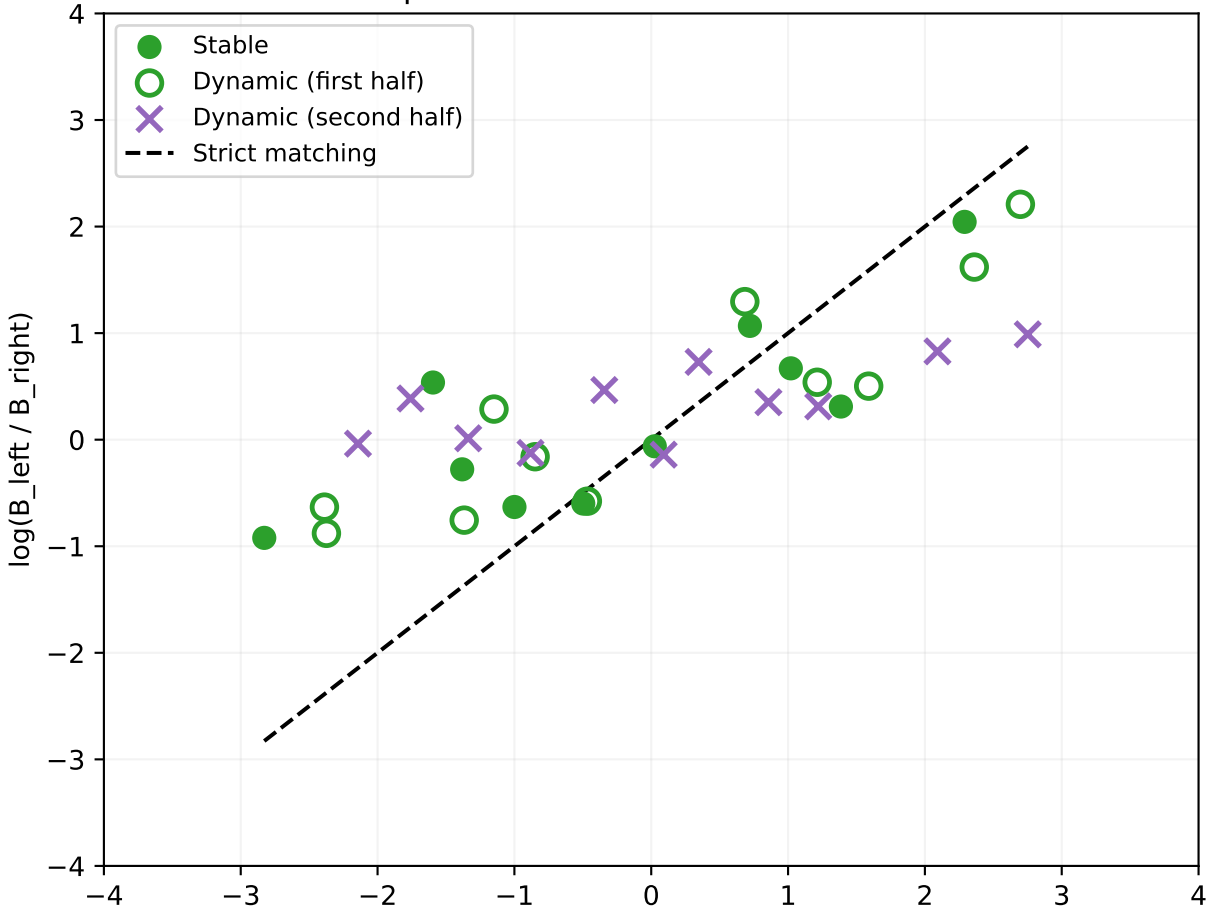

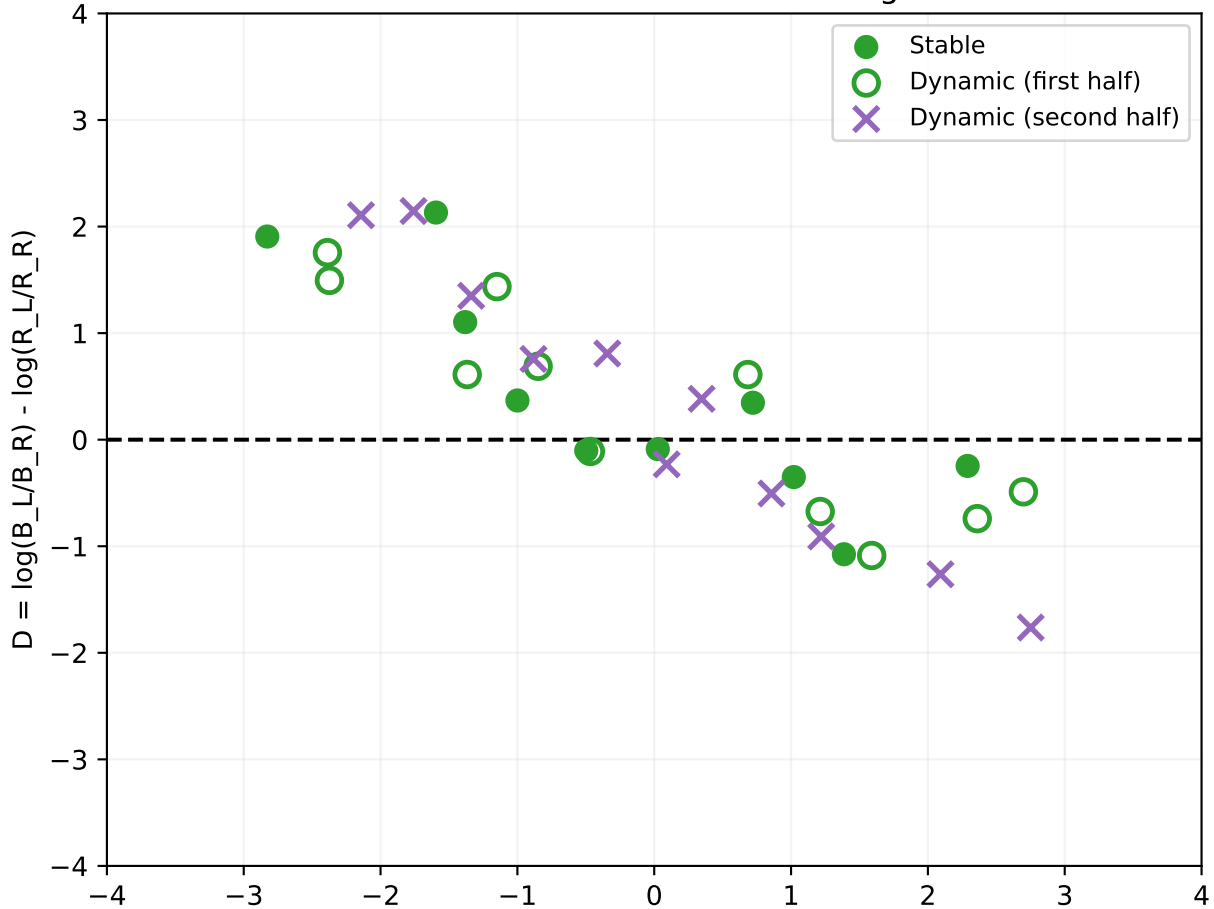

p138 — Deviations from matching

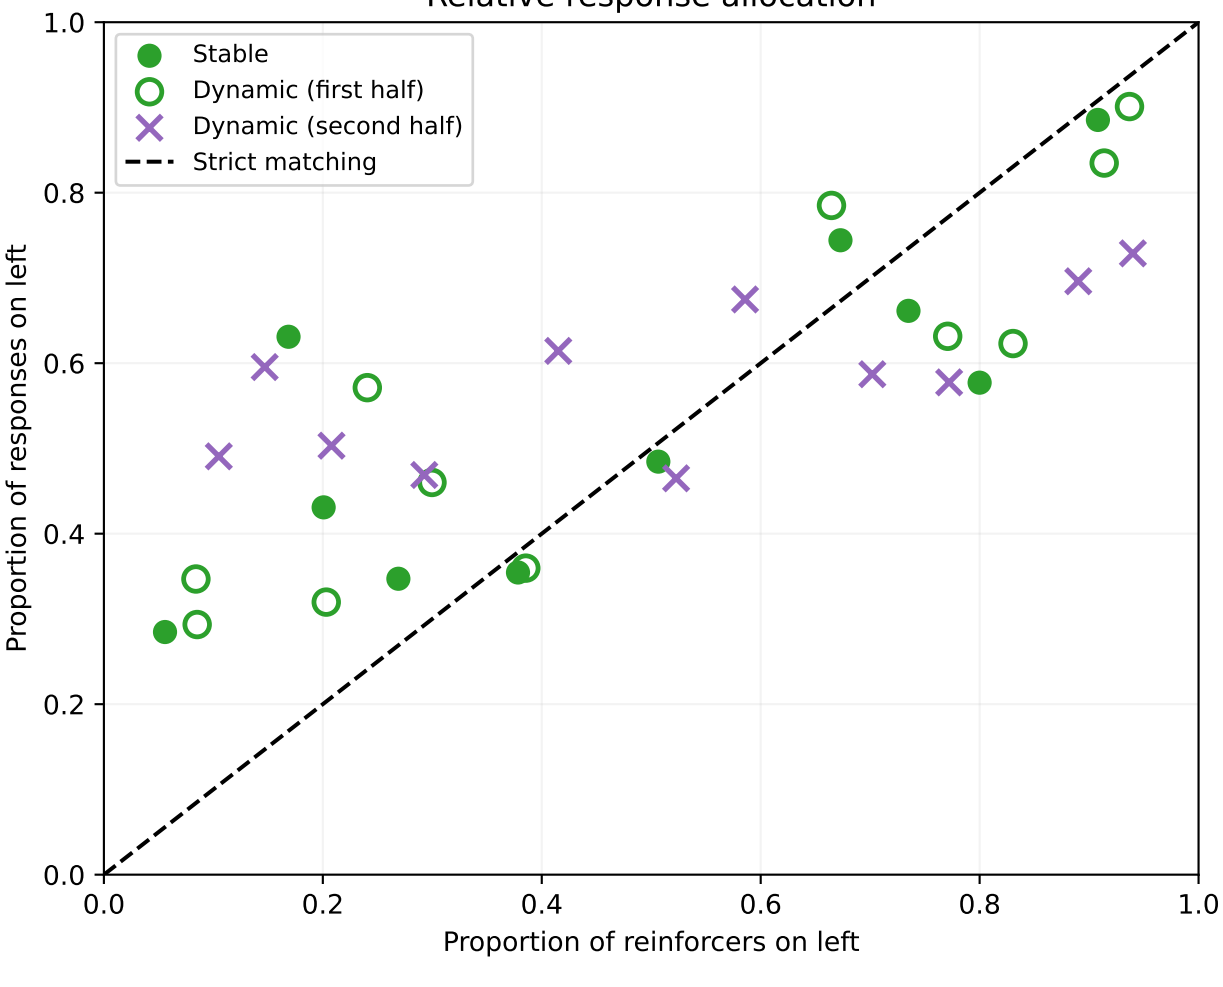

Response allocation vs. reinforcement

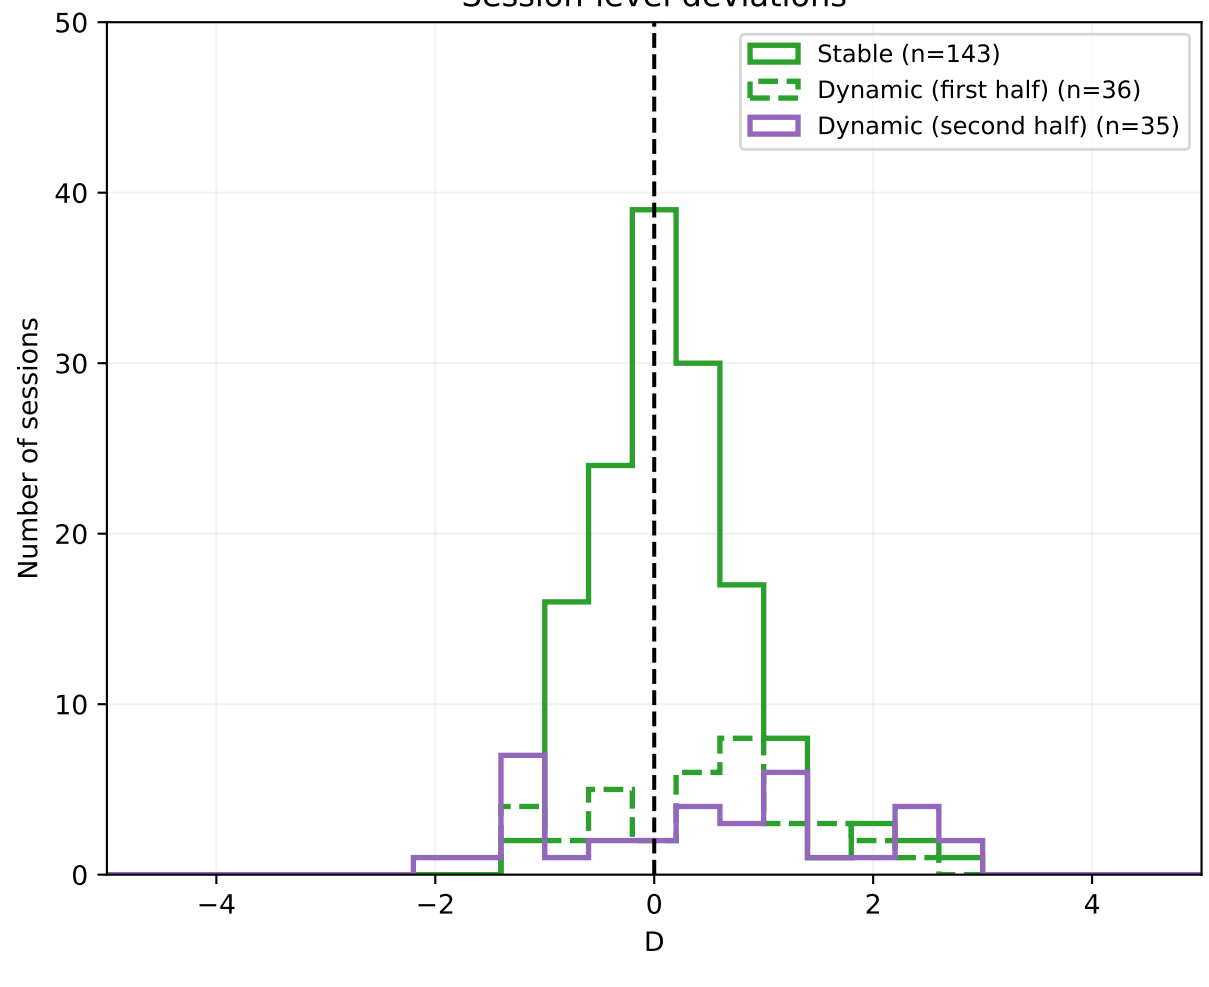

Deviation from strict matching

Relative response allocation

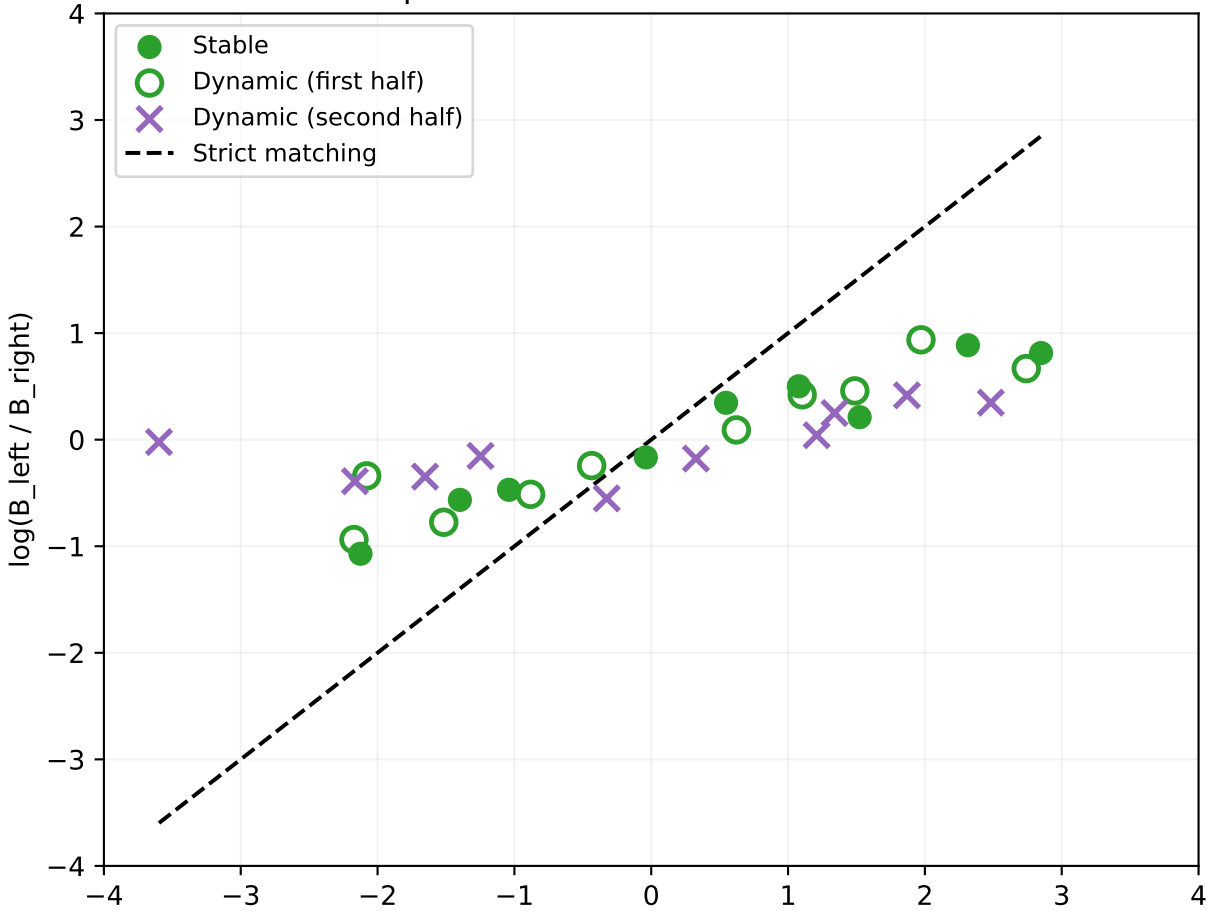

Session-level deviations

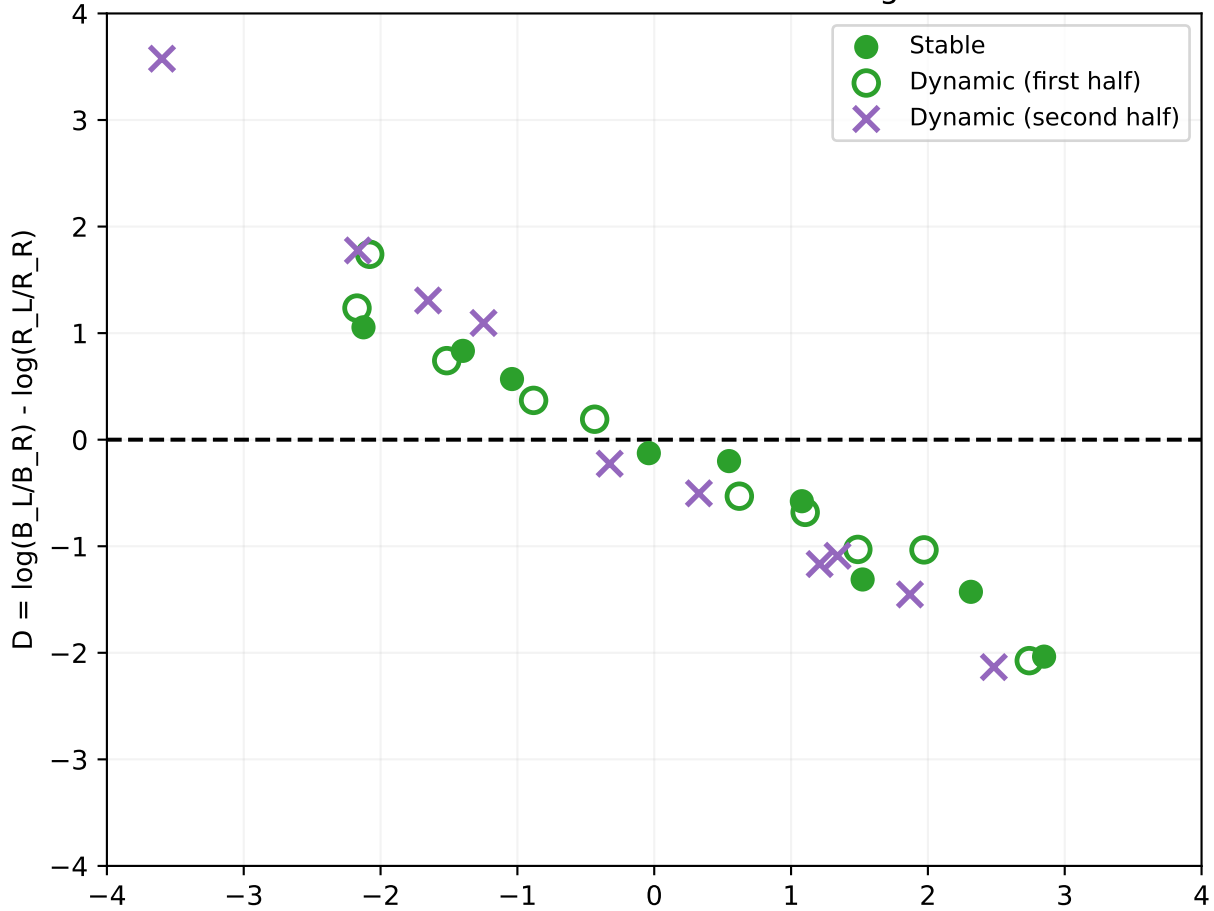

p510 — Deviations from matching

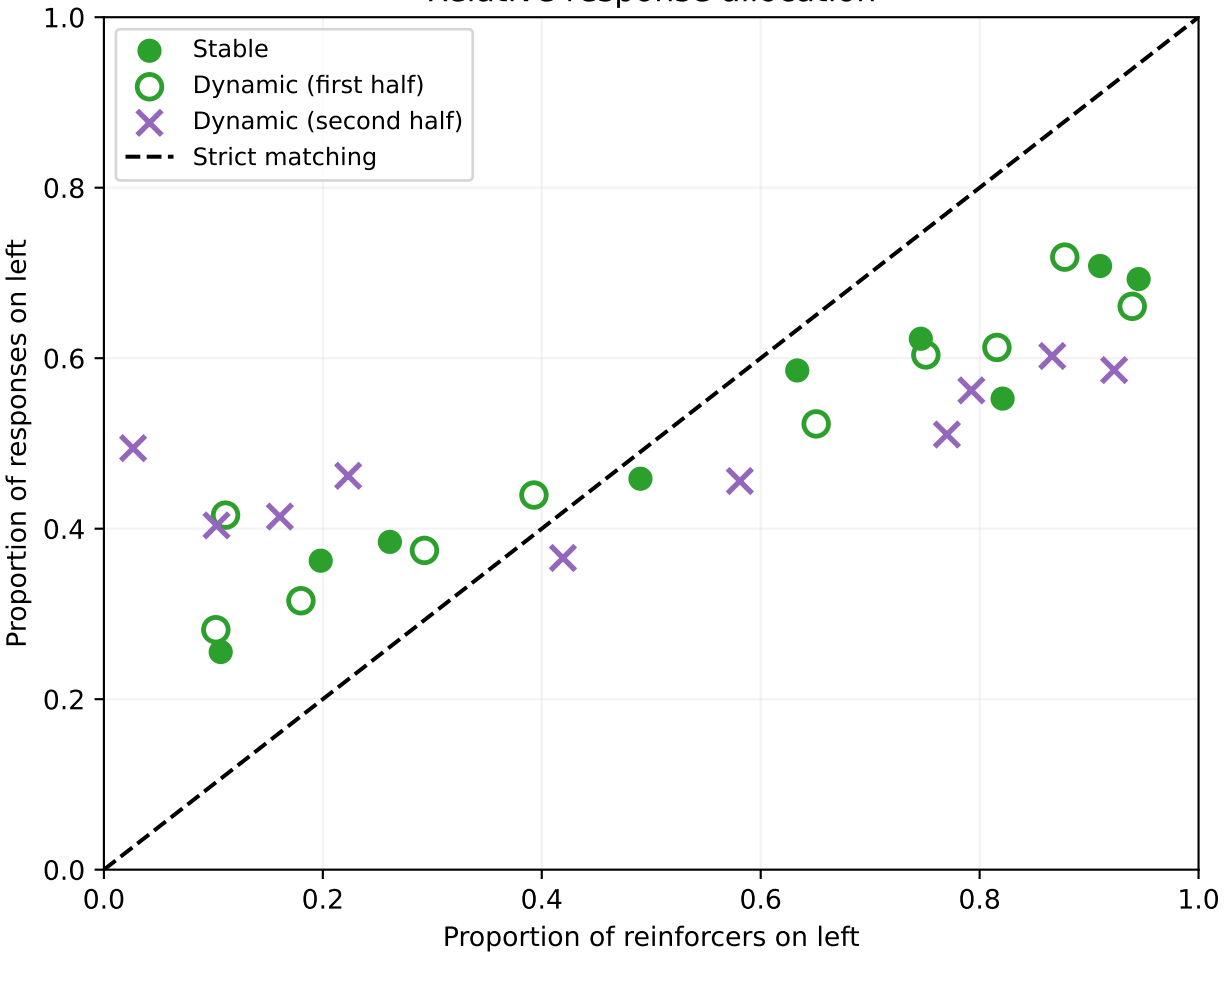

Response allocation vs. reinforcement

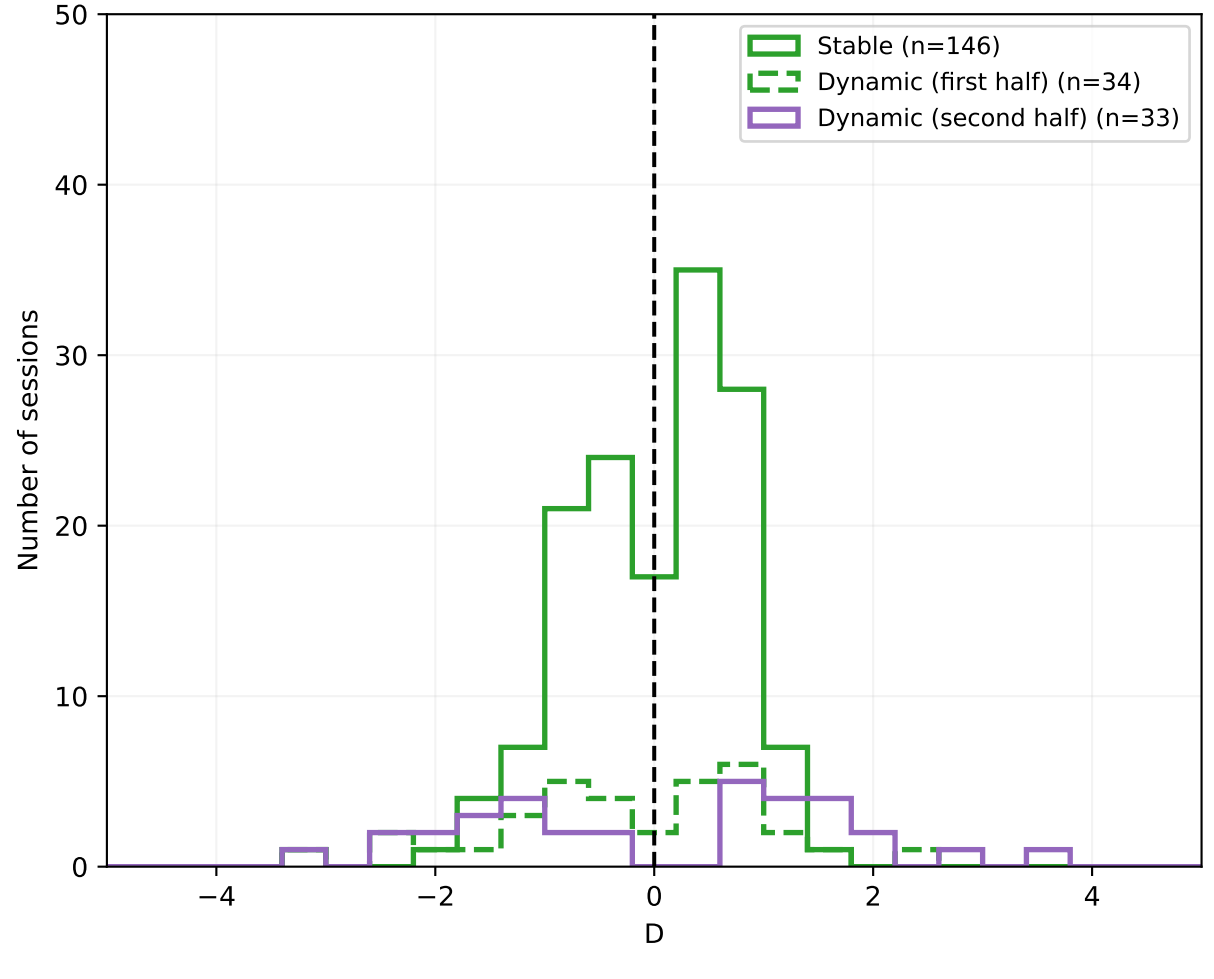

Deviation from strict matching

Relative response allocation

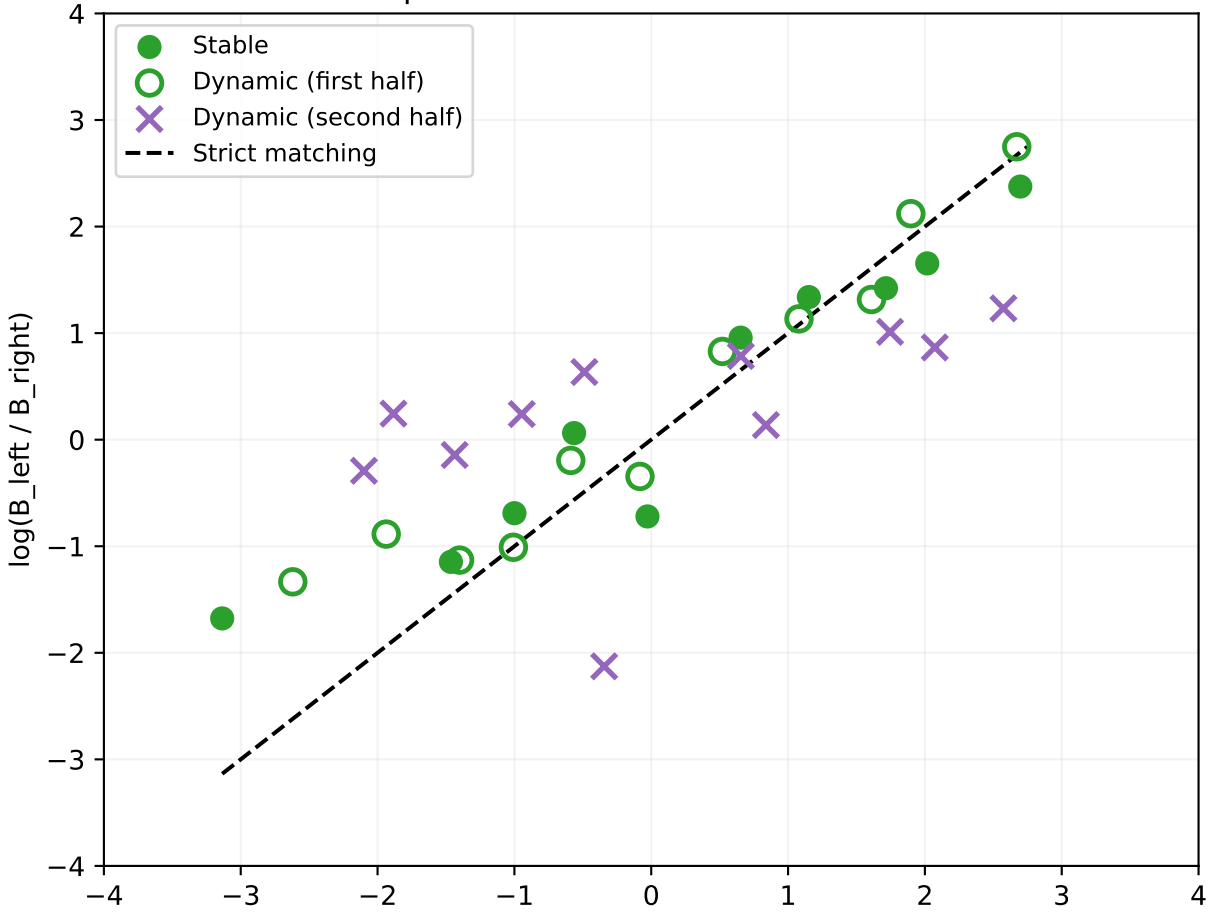

Session-level deviations

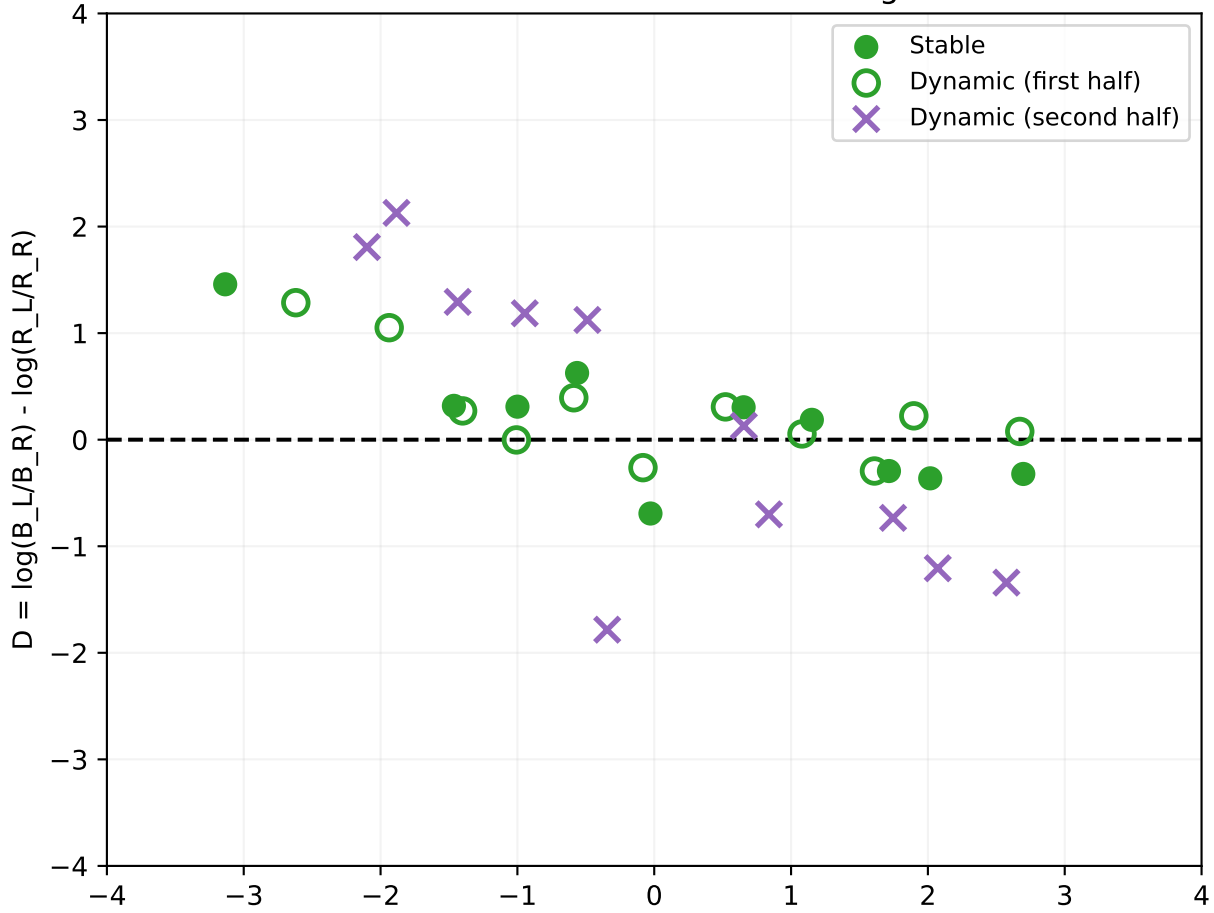

p530 — Deviations from matching

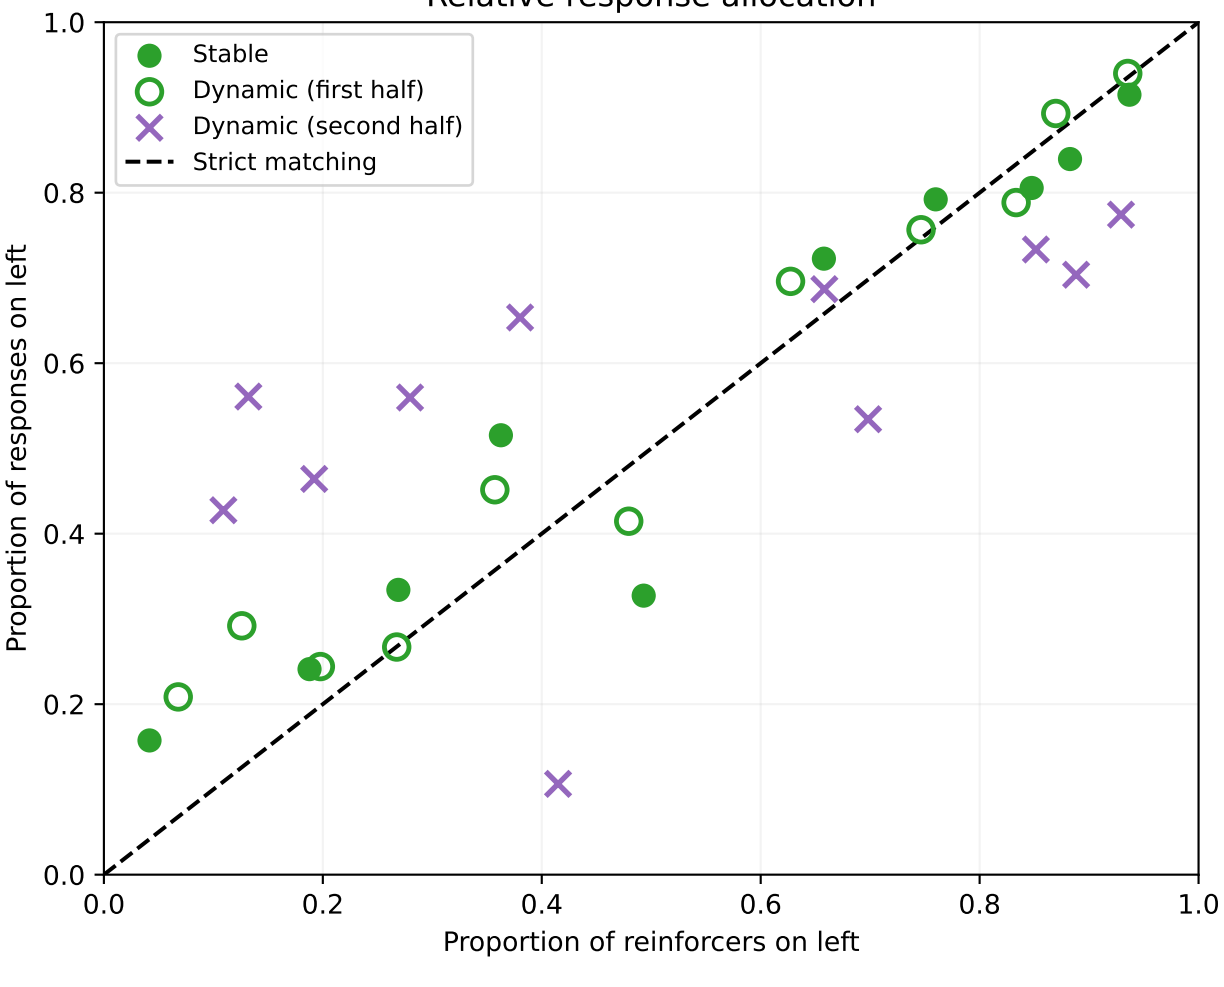

Response allocation vs. reinforcement

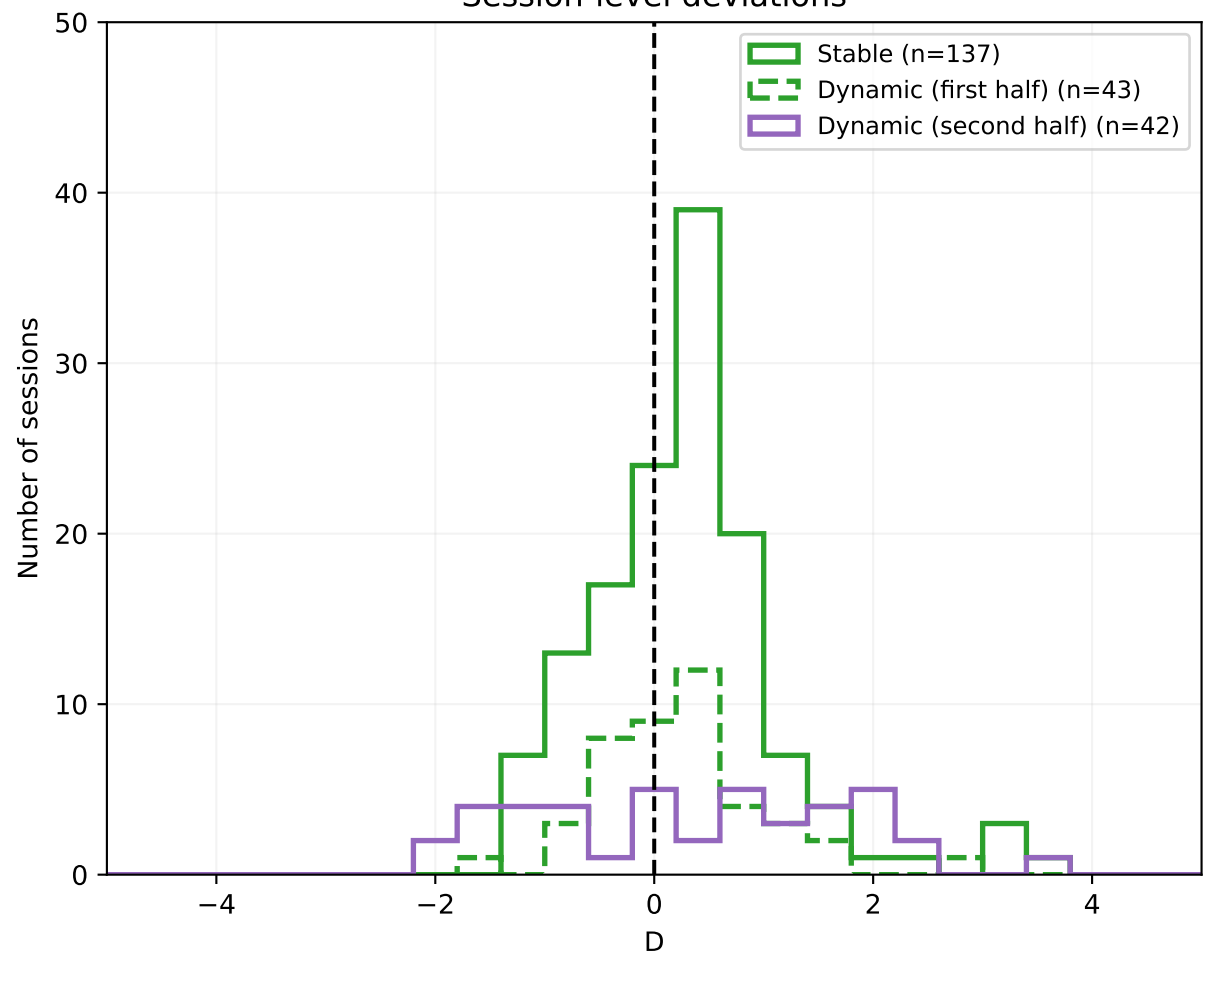

Deviation from strict matching

Relative response allocation

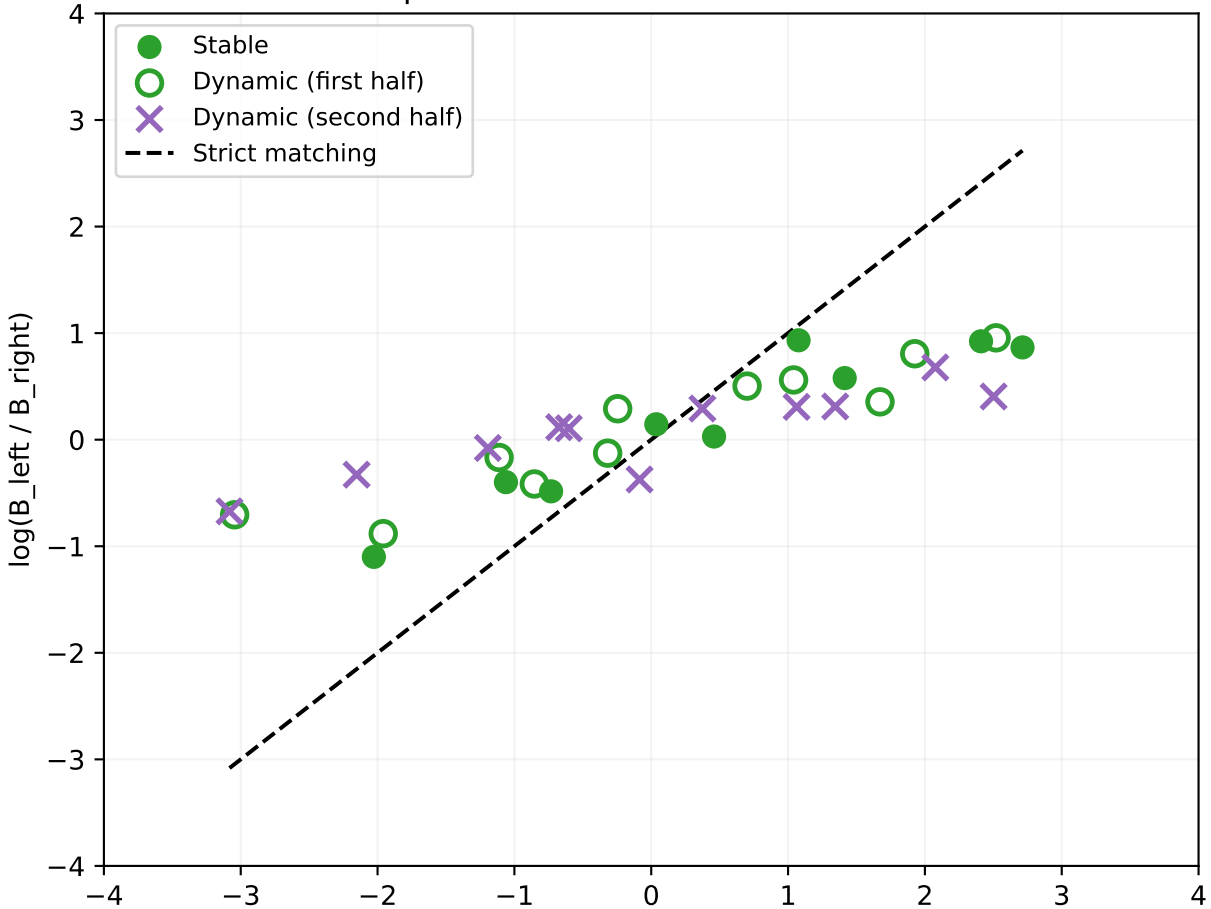

Session-level deviations

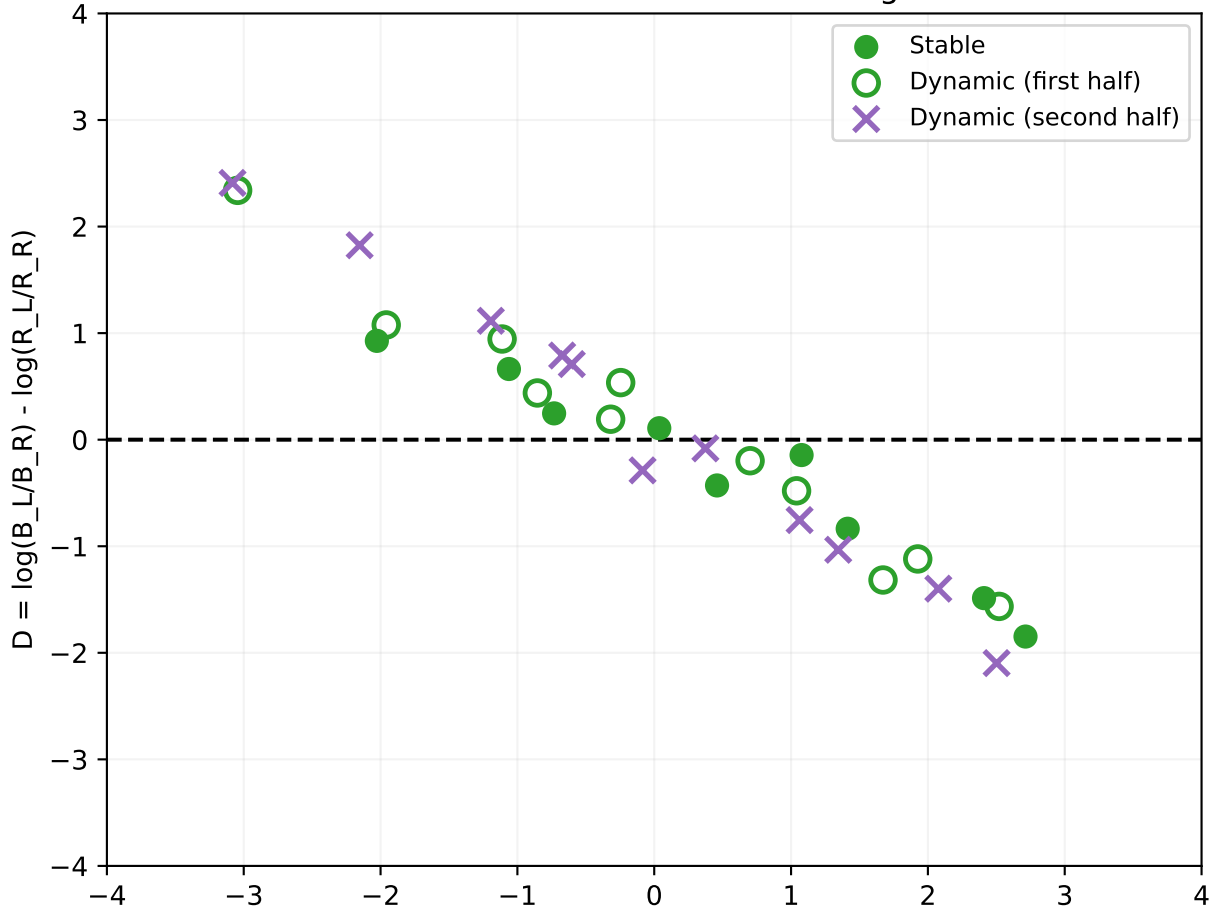

p736 — Deviations from matching

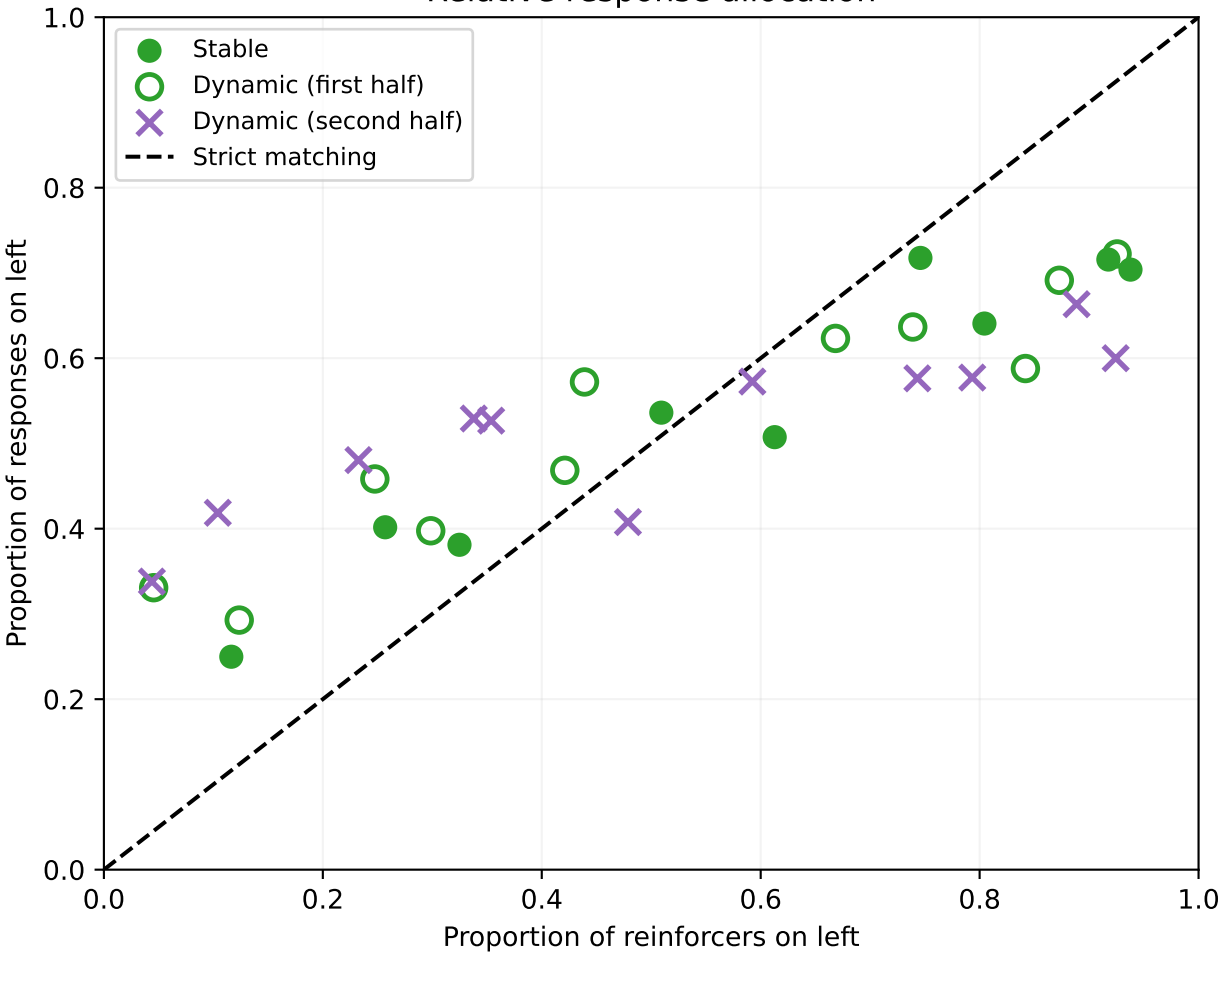

Response allocation vs. reinforcement

Deviation from strict matching

Relative response allocation

Session-level deviations
